It's Easy to Run the Qualifier!

- 1-Bowlers qualify during league by simply paying \$1 towards beating their average. If they beat their average any game they are eligible to compete in the house finals. League qualifying needs to be completed by March 31st, 2020. The \$1 goes to the Charity and is submitted with your final report.
- 2- Set up your house finals when you would like, just so it is finished by April 15th.
- 3 - Bowlers then pay \$1 (for charity) plus your entry fee for lineage. One of Two bowlers advance to State Finals and pay \$20 to enter the State finals. Another popular option: Build the \$20 fee into your house finals such as charging an extra \$10 per entry to have state finals entry already paid.

All the forms can be downloaded from the website OSBPA.com under Bowl Down Cancer Tournament

Enclosed are flyers with rules and regulations and forms to run the tournament. Please read the rules and if you have any questions please call. The league qualifying round can be conducted up thru March 31st, 2020. To allow each proprietor to run the BDC tournament at their discretion with the In-center finals to be completed by April 15th, 2020, forms need to be returned by April 25th. The State finals will be held at Linn Lanes, Lebanon May 22nd - 24th and 30th & 31st, 2020.

All of your forms are enclosed—

Bowler league qualifying forms: Entries have divisions to be circled (men's, women's and youth).
